Hi everyone,
I hope you are all staying healthy and happy.

Please email me @ keeley.miller@crooksville.k12.oh.us or turn your work into the school on food drop off day.

Pick 3 of the 5 drawing prompts. They must all be school appropriate, use color or 5 values.

1. Create a family portrait. The family is a family of insects.
2. Create a new sport. You can combine 2 existing sports or come up with something new.
3. Draw a salt and pepper shaker.
4. Draw something that should've been invented by now.
5. Draw yourself as an emoji.
