Tutoring Providers

Michael Hankinson, Treasurer

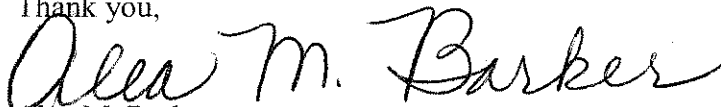

November 11, 2011

Dear Parent/Guardian,

Because your child's school is in its second year of *School Improvement* you are eligible for Supplemental Educational Service, which are state approved free tutoring programs. We are dedicated to helping you select a provider that is right for you and your child. Attached is the list of the state approved providers. Please select 5 providers from the list to service your child. You may want to call several providers to gain some general information about the service they will provide. List below your top five choices and we will contact them to start the process. Return this slip to your child's school by Friday, December 2. This program is for income eligible families only. Additionally, participation is completely optional. Thank you for supporting your child through their educational endeavors.

Please call Alea Barker at 740-982-7010 if you have any questions about these services.

Thank you,

Alea M. Barker
