Households should assume that if one person is sick every person living there is as well and should take appropriate measures to control the spread, which should include self-quarantining and contacting a doctor.
The health and safety of the students and staff of the Crooksville Exempted Village School District is the number 1 priority of the district. In order to ensure the health and safety of all students and staff within the CEVSD, it is imperative that our Parents/Guardians screen students at home for signs/symptoms of COVID-19 prior to sending them to school.

**Each morning** screen your child for the following signs/symptoms of COVID-19:

- Cough
- Fever
- Chills
- Muscle pain
- Shortness of breath or difficulty breathing
- Sore throat
- New loss of taste or smell
- Headache
- New cough
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
- Abdominal pain

Signs/symptoms can range from mild to severe illness.

If your child is experiencing multiple signs/symptoms, it is highly recommended that you keep your child at home and contact your child’s school.

*Seek medical care immediately if your child has emergency warning signs of COVID-19.*

- Trouble Breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- Bluish lips or face

This list is not all possible signs/symptoms. Please call your medical provider for any other symptoms that are severe or concerning to you.

ADAPT AND ADJUST

As a reminder, plans are “at this moment” and we will continue to re-evaluate based on evolving conditions, data about the status of the pandemic, and recommendations and guidance from public health authorities.

THANK YOU FOR YOUR CONTINUED SUPPORT!
LET’S CONTINUE TO WORK TOGETHER AND PLACE #KIDSFIRST
